Summary

A highly motivated and results-driven Computer Science student with hands-on experience in **AI, Machine Learning, and Full-Stack Development**. Proficient in Python and Java, with a strong foundation in data structures, algorithms, and web technologies. Proven ability to quickly learn new tools and apply them to build innovative projects, including an AI-powered fitness tracker.

Skills

- **Languages:** Java, C, Python
- **Technologies & Tools:** ReactJS, PyTorch, NumPy, Pandas, Streamlit, Git/GitHub, RESTful APIs
- **Machine Learning & Data:** RandomForestRegressor, Data Analysis, Model Training, Problem-Solving
- **Web Development:** HTML, CSS, JavaScript, PHP, WordPress
- **Professional Skills:** Teamwork, Time Management, Communication, Adaptability, Deadline Completion

Education

Shri Ramswaroop Memorial University, Lucknow

- Bachelor of Technology in Computer Science and Engineering
- Currently in 4th Year | **CGPA:** 6.26/10
- **Relevant Coursework:** Object Oriented Programming, Data Structures and Algorithms, Advanced Data Structures and Algorithms, Databases, Operating Systems, Computer Networks, Discrete Mathematics, Computer Organization and Architecture

Work Experience

AICTE TechSaksham Internship (Microsoft & SAP CSR Initiative)

- *Intern* | February - March, 2025
- Developed an **AI-powered Fitness Tracker** to predict calories burned during exercise.
- Utilized **RandomForestRegressor** for building and training the calorie prediction model.
- Designed an intuitive and interactive user interface using **Streamlit**, ensuring a seamless user experience.

Projects

AI Powered Fitness Tracker

- Developed a fitness tracker using a **RandomForestRegressor** model.
- The model predicts calories burned based on user-input parameters, including age, BMI, exercise duration, heart rate, and body temperature.
- Demonstrates practical application of machine learning for a real-world problem.

Certificates & Participation

- **L&T EduTech Certificate:** Full-Stack Web Development Bootcamp (HTML, CSS, JS, PHP, & WordPress)
- **Ethical Hacking Gateway**
- **Microsoft Excel Certification:** Intermediate Level (Coursera), October 2024
